

Questionnaire form

Date _____ / _____ / _____

Thank you for visiting “**Consultation Outpatient for Childcare in English**”. We hope that our pediatric department can help you with your anxieties and concerns about childcare in Japan that is not your home country.

We would appreciate it if you could answer the questionnaire. The questions below may be used as clinical information for a systematic research survey on childcare support. This research will be conducted under the approval of the Ethics Committee of the Boshi-Aiiku-kai, Maternal and Child Health Center (Decision No.2021-10), and will be conducted in a manner that does not identify personal information. Participation in the survey is based on free will. If you do not cooperate with the survey, you will not be disadvantaged. By answering the questionnaire, you will be considered to have agreed to cooperate with the survey.
